Dear Supporters,

1Thessalonians 5:25 *“Brethren, pray for us.”* A short note asking you to pray as we drive to Sydney Tuesday, May 15, for Pam’s post operation appointment with her surgeon. Two weeks ago she began doing physiotherapy a couple of times a week so unfortunately she will miss the two next week.

Her post operative appointment with the surgeon is at 3pm and then Thursday David has an appointment with an Ear, Nose and Throat doctor at 3.30pm. The reason for this is that he has been having a buzzing in his left ear for several weeks and when it gets more intense he also gets a little dizzy. The cardiologist gave the pacemaker a good check-over last Tuesday and eliminated it as the cause. The cardiologist said he thought it was an inner ear problem and the GP agrees thinking it might be Meniere's disease. We will hopefully find out for sure next Thursday as the buzzing has become very very annoying. We will be driving home Friday as kangaroos come out at dusk and there is a risk of hitting one.

It is interesting that one of the ladies doing physiotherapy with Pam has Meniere’s disease. She told Pam she takes medication which alleviates much of her discomfort. Again we would appreciate your prayers as we travel and that whatever David does have can be cured or helped through medication such as the lady in Pam’s class has been.

In His Care,

David & Pam Bennett
