**fathered 98 kids offers free sex service** 21 March, 2014 (Edited by DCB) Nothing

should surprise us anymore. Forty-four year old Dutchman Ed Houben “is known for

being the most fertile man in Europe, and quite possibly, the world.” What about it? This

man is known to have “fathered a whopping 98 children in the span of 12 years.” No, they weren’t

to his wife and they weren’t IVF so you can guess the rest. Houben told the BBC “What motivates

me is meeting new people who turn out to be great, normal people and there’s some beautiful hope

of creating a new life which will be loved and look after.” To the world Houben may be just

providing a service but God’s Word is not to be mocked for “the unrighteous shall not inherit the

kingdom of God? Be not deceived: neither fornicators, nor idolaters, nor adulterers, nor effeminate,

nor abusers of themselves with mankind” 1Corinthians 6:9.

### **THAT OLD KING JAMES BIBLE**

<http://www.christianitytoday.com/gleanings/2014/march/most-popular-and-fastest-growing-bible-translation-niv-kjv.html> **The Most Popular and Fastest Growing Bible Translation Isn't What You Think It Is** 3/13/2014 (Edited by DCB) - According to a new study “When Americans reach

for their Bibles, more than half of them pick up a King James Version (KJV)”. The report “The Bible

in American Life conducted “by the Center for the Study of Religion and American Culture at

Indiana University–Purdue University Indianapolis” says “The 55 percent who read the KJV easily

outnumber the 19 percent who read the New International Version (NIV). And the percentages drop

into the single digits for competitors such as the New Revised Standard Version, New America

Bible, and the Living Bible.” The Southern Baptist Convention’s Lifeway did a study in 2011 and

it indicated “82 percent of Americans who regularly read the Bible—own a copy of the KJV.” One

leading scholar said “Although the bookstores are now crowded with alternative versions, and

although several different translations are now widely used in church services and for preaching, the

large presence of the KJV testifies to the extraordinary power of this one classic English text.” **So**

**in spite of the supposedly HARD thee’s and thou’s the King James Bible continues to be used**

## **PUSHING THE HOMOSEXUAL AGENDA**

<http://www.truthrevolt.org//news/nabisco-ad-homosexuality-wholesome> Nabisco Ad: **Homosexuality 'Wholesome' "For every wholesome family."** 3/21/2013 (Edited by DCB) - Yes, even the sellers of food are getting into promotion of the homosexual agenda. Nabisco has produced "...a commercial for their Honey Maid graham crackers and Teddy Grahams snacks showing a homosexual couple raising two children with a voiceover stating 'this is wholesome.'"

The ad is very inclusive beginning "with a father bottle feeding his baby as another father slips in to kiss the baby's forehead. The commercial then meanders through a montage of families: mixed race, single dad, tattooed dad, military dad, and two dads. The voiceover says: 'No matter how things change, what makes us wholesome never will. Honey Maid -- everyday wholesome snacks for every wholesome family. This is wholesome.'" Nabisco has joined hands with Coke and Chevrolet in "specifically marketing homosexuality." No matter what the world says God tells us that "...the men, leaving the natural use of the woman, burned in their lust one toward another; men with men working that which is unseemly, and receiving in themselves that recompence of their error which was meet" Roman 1:27.
