THE Q EVENT IN NASHVILLE

<http://qnashville.qideas.org/> How one gets on these email lists is a mystery but it is interesting to go to the web site just to see what they are up to. If you are a first timer attending the Q event April 23 - 25 event in Nashville you may “Buy your ticket for only \$500 (reg \$675)” and they will “include a pair of toms sunglasses - free!” OK, how many of you are going?

SODOMITES IN THE MILITARY

<http://theweek.com/article/index/257285/speedreads-gay-and-lesbian-troops-perform-in-drag-on-american-military-base> **Gay and lesbian troops perform in drag on American military base** (Edited by DCB) - There truly has been change in America under the Obama administration. At a US Air Base in Japan “...six gay and straight service members applied some of their finest makeup and lip synced to ‘I Wanna Dance with Somebody’ in what is believed to be first drag queen and king show on an American military base. The show was thrown in support for the base's recently formed OutServe-SLDN chapter, a nonprofit advocacy group for the army's LGBT community.” Event organizer “Navy Lt. Marissa Greene told Stars and Stripes she only expected to sell 75 tickets for the variety show, but ended up selling more than 400 in ten days.” Yes, “Just a few years ago, performances like these would have been grounds for a possible discharge. The repeal of Don't Ask, Don't Tell has made it possible for events like this to occur.” Thank you Mr. Obama! America is now weaker morally and militarily!

BILL GOTHARD ON LEAVE

http://www.worldmag.com/2014/02/bill_gothard_placed_on_administrative_leave 27 February, 2014-**Bill Gothard placed on administrative leave** -(Edited by DCB) Yes, “The board of directors of the Institute for Basic Life Principles has placed its longtime leader Bill Gothard, 79, on ‘administrative leave’ while the board investigates claims that he years ago engaged in sexual harassment and other misconduct.” This administrative leave was prompted by “...a WORLD inquiry...” The “board chairman Billy Boring stated, ‘After completion of the review the board will respond at an appropriate time, and in a biblical manner.’”

REVISITING THE TORONTO BLESSING

http://www.christianitytoday.com/ct/2014/march-web-only/enduring-revival.html?utm_source=ct-direct-html&utm_medium=Newsletter&utm_term=9491972&utm_content=253311151&utm_campaign=2013&start=1 **The Enduring Revival** (Edited by DCB) - “Early in 1994, a small church in a strip mall near Toronto Pearson International Airport had thousands of people waiting at its doors night after night...” The revival included “Laughing, falling over, shaking, roaring like a lion, and being ‘drunk in the Holy Spirit’...” Of course “the Toronto Blessing was a charismatic revival...” “Thousands registered first-time conversions to Christianity at the services. Every evening people lined up to stand or fall under shouts of ‘More, Lord!’ while hands were laid on them in prayer.” One of the visitors to the original revival was Nicky Gumbel of the Alpha Course. He told The Guardian “I don’t talk about it now,” for “It divides people. It splits churches. It is very controversial. But I’ll tell you—I think the Toronto Blessing was a wonderful, wonderful thing.” Dr. James Beverley, professor at Tyndale Seminary (<http://www.tyndale.ca/>), Toronto, said “Whatever the weaknesses are, they are more than compensated for by thousands and thousands of people having had tremendous encounters with God, receiving inner healings, and being renewed.” Whatever the Toronto blessing was, when compared with Scripture, was not an encounter with the God of Heaven and earth, the God of the Bible.

ADAM AND EVE AT BRYAN COLLEGE

<http://www.christianitytoday.com/gleanings/2014/march/bryan-college-faculty-vote-no-confidence-president-adam-eve.html> **Bryan College Faculty Vote 'No Confidence' in President over Adam and Eve** March 7, 2014 (Edited by DCB) - The faculty at Bryan College in Dayton, TN “overwhelmingly issued the first no-confidence vote against their president in school history after trustees clarified the creationist nature of the school's Statement of Belief.” “The clarification, which highlights the college's stance toward the Genesis story, reads: ‘We believe that all humanity is descended from Adam and Eve. They are historical persons created by God in a special formative act, and not from previously existing life forms.’” It is said “The faculty outcry, focused more on how the change was done rather than what was changed...” However, two faculty members who received grants from the BioLogos Foundation (which believes in “evolutionary creation”) may “have played into the clarification”.

IS EVOLUTION AND CREATION COMPATIBLE

<http://biologos.org/questions/evolution-and-the-fall-> **In a Nutshell** (Edited by DCB)- “While Genesis 2-3 speaks of the pair Adam and Eve, Genesis 4 refers to a larger population of humans interacting with Cain. One option is to view Adam and Eve as a historical pair living among many 10,000 years ago, chosen to represent the rest of humanity before God. Another option is to view Genesis 2-4 as an allegory in which Adam and Eve symbolize the large group of ancestors who lived 150,000 years ago. Yet another option is to view Genesis 2-4 as an ‘everyman’ story, a parable of each person’s individual rejection of God. BioLogos does not take a particular view and encourages scholarly work on these questions.” This is certainly playing loose with Scripture! God’s Word does take a particular view which says Adam and Eve were individuals created by God on the sixth 24hour day!
