

APRIL - MAY

Dear Friends of this Ministry,

Philippines 2:16 *“Holding forth the word of life; that I may rejoice in the day of Christ, that I have not run in vain, neither laboured in vain.”* Thank you for your friendship, fellowship and support as the Word of Life is held forth here through the preaching, teaching, radio programmes and tracts.

The mother and her two children who we have mentioned in previous letters continue to faithfully attend the services. She does profess to know the Lord Jesus as her Saviour but has not yet followed the Lord in water baptism. The children are enjoying Sunday school and Pam definitely enjoys having them. Our grandchildren also enjoy having them there as well. Please continue to pray for the children and the husband. As I said in a previous letter her husband claims to be an atheist but Christ came to save atheists, agnostics and all sinners. Right now he doesn't mind her and the children attending and we pray he continues in this attitude. Please bring this young family before the Lord as He brings them to your remembrance.

Genesis 1:14 *“And God said, Let there be lights in the firmament of the heaven to divide the day from the night; and let them be for signs, and for seasons, and for days, and years”*. Mrs. B. Has been teaching our Sunday school students about creation. In a few weeks they will be giving a presentation before the adults as to what they have learned. Here are the five students.

We both had our checkups with the cardiologist and everything is fine. Pam has her appointment with the endocrinologist in July in Orange which is an hours drive east of us. July is winter here and Orange is in the mountains so it may or may not have snow but it will certainly be COLD! Having been reared in Iowa we do not desire to see snow!

We are getting closer to getting the community radio station up and running. This station of course will hold a secular license but our personal objective is to broadcast the Gospel primarily on Sundays. We will also seek to have short Scripture readings inserted during the week along with short creation talks. Creationist Ian Taylor produces Creation Moments which we use in our program at the Gilgandra station. The person in charge of council buildings around the city is keeping his eyes open for a place where the station can be set up. Perhaps before the end of this year we will be up and running.

Thank you for your continued support and remember *“Brethren, pray for us”* 1Thessalonians 5:25.
Yours in Christ Jesus,

David & Pam Bennett, Titus 2: 13
