Standing unashamedly for the King James Bible

<http://www.charismanews.com/us/33232-legendary-missionary-works-on-new-testament-translation> LEGENDARY MISSIONARY WORKS ON NEW TESTAMENT TRANSLATION 18 April, 2012 (Edited by DCB) – The Association of Baptists for World Evangelism’s (ABWE) “Viggo Olsen, who served 33 years overseas as a medical missionary...is a legend in Bangladesh and in missionary circles around the world. *The New York Times* even compared him to **Dr. David Livingstone**, the great 19th-century medical missionary and African explorer.” However, all Olsen did in the past “...may fade in comparison to the work he is doing now. He and his wife, Joan, a distinguished missionary in her own right, are translating the New Testament into Muslim-friendly English.” **Note** the words “Muslim-friendly” English. How would one translate a “Jewish-friendly” Bible? The Olsen’s Bengali New Testament was printed by the United Bible Societies and followed the translation method of dynamic equivalency and no doubt his new translation will as well. It is also worthy to note that Dr. Olsen served at the same time and in the same hospital, Memorial Christian, as the ABWE pedophile Dr. Donn Ketcham.

<http://ottumwacourier.com/local/x192354421/LGBT-members-walk-for-equality> April 23, 2012 (Edited by DCB) – Ottumwa, Iowa is my home town and advertises itself as the “City of Bridges”. Sadly it is also the home of many who say they are walking for equality. Some of the 25 walkers said “The Walk for Equality’ is bigger than us. It doesn’t seem to take much to get people excited about something that is objectionable to God but this “walk is a worldwide event...” where the “Lesbian-Gay-Bisexual-Transgender (LGBT) community....” gather for what some call “camaraderie”. One woman attending the event “said bar fights are too common and are started by ‘homophobic people.’” So bar fights are only begun by people who are “homophobic”! The statements some people make! From watching the evening news it seems bar fights are begun by just about anyone, sodomite or not!

Well the sky isn’t falling (just as the climate isn’t changing) but the Australian New South Wales taxpayer has paid for a television programme “...which set out to change opinions on the climate change debate - and ends with little ground being made by either protagonist.” Now listen to this, “After four weeks of filming around the world and 60 hours of interviews (at a cost of 60 tonnes of carbon), I Can Change Your Mind About Climate has barely shifted the opposed views of its stars, former Howard government finance minister Nick Minchin and climate activist/author Anna Rose.” So the ludicrous debate goes on with the ridiculous Australian Carbon Tax coming into effect in July.

<http://www.dailymail.co.uk/news/article-2135434/Outrage-Egypt-plans-farewell-intercourse-law-husbands-sex-dead-wives-hours-AFTER-death.html> OUTRAGE AS EGYPT PLANS 'FAREWELL INTERCOURSE LAW' SO HUSBANDS CAN HAVE SEX WITH DEAD WIVES UP TO SIX HOURS AFTER THEIR DEATH 26 April 2012 – (Edited by DCB) – Believe it or not “Egyptian husbands will soon be legally allowed to have sex with their dead wives - for up to six hours after their death.” Yes this “controversial new law is part of a raft of measures being introduced by the Islamist-dominated parliament.” Not only is the above on the books but “It will also see the minimum age of marriage lowered to 14 and the ridding of women's rights of getting education and employment.” So THIS is what the ARAB SPRING was all about! While Christians are ridiculed and persecuted the world panders to Islam!

<http://fellowshipchurch.com/wild> - To see what this mega-church pastor gets up to you must watch the video! “Wild. The stampede of an elephant. The echo of a gorilla’s roar. The unflinching courage of a lion. There are so many aspects of the animal world that take our breath away, that cause us to stand in awe and wonder.

In this series, Ed Young is joined by some of the most powerful animals in the world. And as they work together to communicate biblical truths into our lives, we discover that God has a powerful and awe-inspiring plan for every one of us.” Young’s supposedly exposition of Scripture isn’t too far from some independent Baptists. No wonder America seems to be running down hill with its brakes off to financial ruin and spiritually to hell.

<http://www.liberty.edu/news/index.cfm?PID=18495&MID=53543> MARK DRISCOLL SPEAKS ON LESSONS FROM PRODIGAL SON April 20, 2012 (Edited by DCB) – Recently while at Liberty University Mark Driscoll “...preached on the parable of the prodigal son in...convocation.” Driscoll and his wife also hosted “the Real Marriage conference in the Vines Center” while at Liberty. Driscoll’s recent tour to Liberty and other places “is based upon his latest book, ‘Real Marriage: The Truth About Sex, Friendship & Life Together.’”

<http://www.abpnews.com/content/view/7297/53/> MARK DRISCOLL'S VISIT TO LIBERTY UNIVERSITY MAKING WAVES April 09, 2012 (Edited by DCB) – In spite of the “waves” against Driscoll’s speaking at Liberty, Driscoll came and went as is seen from the previous article. However Liberty University “...isn’t the first campus to see concerns over Driscoll’s impact on young and inquiring minds. Invitations to speak at Southeastern Baptist Theological Seminary prompted a series of motions at the 2009 Southern Baptist Convention warning against Driscoll’s growing influence in the denomination, mainly through Acts 29, a trans-denominational church-planting network started by Driscoll and supported by Southern Baptists including Ed Stetzer, vice president for research and ministry development for LifeWay Christian Resources.” It is interesting that Ed Stetzer teaches seminars at the Association of Baptist for World Evangelism, <http://www.abwe.org/about/home-office>. There are still many churches which would NEVER have Ed Stetzer in to speak but yet they support missionaries who will be sitting under the teachings of Ed Stetzer! It is still hard for me to get my head around these things!

Because of Calvary,
David C. Bennett, D. Min.
