CHILD EUTHANASIA

<http://www.ibtimes.com/belgian-parliament-posed-approve-child-euthanasia-law-1301825#> 11 June, 2013 **Belgian Parliament Posed To Approve Child Euthanasia Law** (Edited by DCB) - Those elected to places of authority seem to have lost their way. For instance “The Belgian Federal Parliament is reportedly about to expand its controversial ‘right to die’ policies to include access to euthanasia for some gravely ill children. A consensus among members of the legislative body has reportedly formed in support of legislation to allow children to choose to undergo euthanasia in certain dire cases, according to a report in the Belgian daily newspaper Der Morgen, as translated by the Paris-based news agency Presseurop. If child euthanasia is legalized in Belgium, the country would become the first in the developed world to have a law on the books allowing the practice, although the Netherlands has since 2005 not prosecuted doctors who perform euthanasia on some minors as long as the doctors act in accordance with a set of medical guidelines dubbed the Groningen Protocol.”

ABORTION/GENDER WAR IN AUSTRALIA

<http://www.theaustralian.com.au/national-affairs/julia-gillard-fires-abortion-salvo-in-gender-war/story-fn59niix-1226662153495> **Julia Gillard fires abortion salvo in gender war** (Edited by DCB) The first female Prime Minister of Australia has blundered so many things that she “has reopened the gender wars as she fights off speculation about her leadership, declaring that the election of Tony Abbott would make abortion ‘the political plaything of men who think they know better’.” This female is definitely not in the same league with Margaret Thatcher but then most in the socialist Labor Party like it that way!

MORE TOLERANCE PLEASE

<http://dailycaller.com/2013/06/11/lesbian-parents-start-moveon-org-petition-over-14-year-old-sons-makeup-at-school/> **Lesbian parents start MoveOn.org petition over 14-year-old son’s makeup at school** June 11, 2013 (Edited by DCB) - Where will it stop or is it how far will it go? “The lesbian parents of a 14-year-old boy have started a MoveOn.org petition after their son was

asked to remove the lipstick, black eyeliner and eye shadow he wore to Meadowlawn Middle School in St. Petersburg, Florida. The student, Chris Martin, was also asked to change out of a shirt emblazoned with an anarchy symbol.” Now the “two mothers, Jamie Himes and Katelynn Martin, were okay with the decision to forbid the shirt but livid that the eighth-grade boy was not permitted to wear the same cosmetics many eighth-grade girls wear regularly.” According to the article the boy “...has not publicly declared his sexual orientation”. The petition that these two “mothers” have put together “seeks to make curricula more gay-friendly.” One has to feel sorry for this boy but in the end this is a society that is thumbing its nose at God and His Word.

CHELSEA CLINTON’S MATERNAL GRANDMOTHER

<http://www.lifenews.com/2013/06/20/chelsea-clinton-laments-my-grandmother-did-not-have-access-to-planned-parenthood/> **Chelsea Clinton Laments: My Grandmother Did Not Have Access to Planned Parenthood** 20 June, 2013 (Edited by DCB) - Did I miss something here when I read this? “From the stage at the recent Women Deliver conference, former US Secretary of State Hillary Clinton’s daughter Chelsea revealed that her much-admired maternal grandmother was the child of unwed teenage parents who ‘did not have access to services that are so crucial that Planned Parenthood helps provide.’” “‘Every child a wanted child’” is the rallying cry of family planning organizations that promote abortion...” Murdering a child in the womb is bad enough but Harvard professor Peter Singer believes “that a period of 28 days after birth might be allowed before an infant is accepted as having the same right to life as others...”¹

YOUTH WITH A MISSION IN DUBBO

<http://www.dailyliberal.com.au/story/1588525/sending-out-a-message-to-dubbo-onlookers/?cs=112> June 22, 2013, **Sending out a message to Dubbo onlookers** (Edited by DCB) - “HALF a dozen South Korean missionaries...danced in front of Dubbo Square on Thursday afternoon. The Youth With A Mission (YWAM) group sang and danced as residents watched in surprise.” Their message is “Believe in God, Jesus loves you.” Is that the Gospel? Paul proclaimed that the gospel he preached was that “*Christ died for our **sins** according to the scriptures; And that he was buried, and that he rose again the third day according to the scriptures*” 1 Corinthians 15: 3, 4.
