ISLAM WOULD BE PEACEFUL IF....

<http://www.itv.com/news/update/2013-05-22/exclusive-man-with-bloodied-hands-at-woolwich-scene/> **Exclusive: Man with bloodied hands at Woolwich scene**

22 May 2013 - (Edited by DCB) - By now most of the Western world has read the news and seen the television footage "...of a man with bloodied hands and carrying knives speaking into a camera in Woolwich. He made a series of political statements. 'We swear by almighty Allah we will never stop fighting you'". Reading the news after this act of terrorism it seems the government is going out of its way to pacify the Muslim community. It will be interesting to read what justice is applied to these terrorists if it is ever allowed out for the public to know. However, in spite of their hatred toward us as Christians and all non-Muslims "The Lord is not slack concerning his promise, as some men count slackness; but is longsuffering to us-ward, not willing that any should perish, but that all should come to repentance" 2Peter 3:9.

IS ISLAM A RACE

<http://www.independent.co.uk/news/uk/crime/bnp-and-edl-accused-of-attempt-to-fuel-racial-hatred-after-woolwich-terror-attack-8631612.html> 25 May, 2013 - **BNP and EDL accused of attempt to fuel racial hatred after Woolwich terror attack** - Islamophobic hate crimes running at 10 times usual rate after murder of soldier (Edited by DCB) - After the beheading of the British soldier the British government has again submitted to Islamic terrorism. It has told its soldiers not to wear their uniforms out in public¹. As though it is strange "A spokesman for the hate crime hotline Measuring Anti-Muslim Attacks said reported incidents were running at 'a level we simply haven't seen before.'" Now "A 22-year-old man will appear in court...after being arrested on

suspicion of making malicious comments on Facebook following the murder of Lee Rigby. Benjamin Flatters, of Lincoln, was arrested after complaints made to Lincolnshire Police that alleged the comments were of a racist or anti-religious nature.”

RELIGION OF PEACE

Syrian rebel eats the HEART of army soldier in latest civil war atrocity (Edited by DCB) - As Great Britain and other Western nations submit to political Islam “Heavily-armed rebels...filmed a leader mutilating an enemy corpse with a knife and eating the HEART of a Syrian army soldier.” One just might wonder what punishment this Syrian will be dealt for such a crime?

BE CAREFUL WHAT YOU SAY ON FACEBOOK

Woolwich attack: Man arrested in malicious Facebook comments probe after soldier murder (Edited by DCB) - Soon after the beheading of the British soldier on a London Street two Brits were arrested and later released on bail for “...suspicion of inciting racial or religious hatred” assumed to be toward Muslims. I think the latest news is that there are three now accused and charged with racist comments on Facebook.

ASSISTED SUICIDE BILL FAILS IN NEW SOUTH WALES

<http://www.dailytelegraph.com.au/news/nsw/james-mckay-wants-to-die-with-dignity-mps-to-vote-on-assisted-suicide-law/story-fni0cx12-1226648704927> **James McKay wants to die with dignity - MPs to vote on assisted suicide law** 23 May, 2013 (Edited by DCB) - A 46 year old man with motor neurone disease “wants to die”. Under the current law in New South Wales “if he commits suicide in the presence of anyone else they can be charged with killing him.” So he plans to spend \$20,000 to travel to Switzerland where they allow assisted suicide, but “away from family and friends.” Therefore he wants the state Parliament to pass a Bill by Greens MP Cate Faehrmann that “would allow assisted suicide for people over 18 who have a terminal illness but are mentally capable of making the decision to die. Terminally ill patients would have their condition confirmed by two doctors and undergo psychiatric assessment.” The good news is that the bill has been voted on and was not passed. However, this issue will raise its ugly head again and again and finally will be passed because God and His Word are not relevant in today’s society.

CHILDBIRTH AND DOLPHINS

Brekkie Wrap: Dolphins to assist in childbirth (Edited by DCB) - Yes it is true “A WOMAN plans to give birth with a pod of dolphins in the hope the animals will bring ‘peace, comfort and strength to the mother and baby during labour’.” Of course the woman and her husband are Americans.

MEGA MOSQUE IN MARYLAND, USA

<http://www.clarionproject.org/analysis/turkey-stakes-claim-america-100-million-mega-mosque>

Turkey Stakes Claim in America With \$100 Million Mega-Mosque May 21, 2013 - (Edited by DCB) - As a British soldier is beheaded on a London street by a Muslim “The government of Turkey is building a 15-acre, \$100 million mega-mosque in Lanham, Maryland.” The Prime Minister of Turkey not only visited Obama but “visited the site on May 15 as part of his official visit to the U.S.” Now get this; “The event was also attended by the leaders of two U.S. Muslim Brotherhood entities.” One of these leaders “included Naeem Baig, is the president of the Islamic Circle of North America (ICNA). A 1991 U.S. Muslim Brotherhood memo lists ICNA as one of ‘our organizations and the organizations of our friends.’ The memo says its ‘work in America is’ a kind of grand jihad in eliminating and destroying the Western civilization from within.’ The memo even refers to meetings with ICNA where there was talk about a merger.” “ICNA is also linked to the Pakistani Islamist group Jamaat-e-Islami and its conferences feature radical speakers. A former ICNA president was recently indicted for horrific war crimes committed during Bangladesh’s 1971 succession from Pakistan – the torture and murder of 18 political opponents.” The second Muslim Brotherhood leader “was Mohamed Magid, president of the Islamic Society of North America (ISNA). ISNA and several of its components are listed as U.S. Muslim Brotherhood fronts in the same 1991 Brotherhood memo. ISNA was also an unindicted co-conspirator in the Holy Land Foundation case, dubbed the largest Islamic terror-funding trial in the history of the U.S. Federal prosecutors in the case also listed ISNA as a U.S. Muslim Brotherhood entity.” Does America have a death wish!

IF THERE IS ANOTHER PLACE

<http://www.dailyliberal.com.au/story/1525125/family-glad-gerry-is-at-peace/> 25 May, 2013 (Edited by DCB) Names will not be given here but I mention this because this is what so many believe today. The son of this former state politician whose funeral was held in a very prominent local Anglican Church “said his father believed in God and ‘if there is another place’ he would be there and standing up for its occupants.” Now I do not know the relationship of this former politician with the Lord but this statement says something about his son’s beliefs. Note “if there is another place”. The Lord Jesus said in John 14:1 “*Let not your heart be troubled: ye believe in God, believe also in me. 2 In my Father's house are many mansions: if it were not so, I would have told you. I go to prepare a **place** for you. 3 And if I go and prepare a **place** for you, I will come again, and receive you unto myself; that where I am, there ye may be also.*” The alternative to the place Jesus spoke of is hell.

PLACATING ISLAM

http://www.dailytelegraph.com.au/news/attacking-sydneys-enclaves-of-islam/story-fni0cx4q-1226654082467?utm_source=Daily%20Telegraph&utm_medium=email&utm_campaign=editorial&net_sub_uid=74614725 **Attacking Sydney's 'enclaves of Islam'** 31 May, 2013 (Edited by DCB) Due to the fact that speaking the truth about Islam is controversial Daniel Nalliah “...says he is prepared to die for his cause” and “has denied he is inflaming violence with a talk about ‘Muslim enclaves’...” Get this, the “Police are on alert for the speech by Rise Up Australia Party national president Daniel Nalliah at the town's RSL and have warned Mr Nalliah and the local community to say nothing that ‘might incite violent or criminal behaviour’.” Just think, what could one that is not in agreement with political Islam say that Muslims would not be incited to violence?
