(Edited by DCB) “An inspiring speech was...given by Reverend Denis Scanlan, the Catholic Priest for Leichardt and North Ipswich. The Reverend was a very strong supporter of the establishment of the Mosque in Ipswich and began his speech with Allahu Akbar. He emphasized that both Christianity and Islam are Abrahamic religions that believe in the One God.” Do Christians and Muslims worship the same God? **The Bible** says God had a Son; Galatians 4:4 “But when the fulness of the time was come, **God sent forth his Son**, made of a woman, made under the law”. However, **Islam** says “...**we do not believe that...Jesus is the son of God.**”¹ True Christianity and Islam DO NOT WORSHIP THE SAME GOD!

So when armed men in uniforms burst in and promised to rescue them, at first they were relieved. ‘Don’t worry, we’re soldiers,’ one 16-year-old girl recalls them saying. ‘Nothing is going to happen to you.’” When “They ... started shouting, 'Allahu Akbar' (God is great),” the girls knew exactly what they were “...members of the ruthless Islamic extremist group called Boko Haram.”

http://wikiislam.net/wiki/Allahu_Akbar “‘Allahu Akbar’ has been used historically by Muslims as a battle cry during war. This precedent was set by Prophet Muhammad when he attacked the Jews of Khaibar. In the following sahih hadith, you can see the phrase has been translated correctly into English by Muslims. Narrated Anas: The Prophet set out for Khaibar and reached it at night. He used not to attack if he reached the people at night, till the day broke. So, when the day dawned, the Jews came out with their bags and spades. When they saw the Prophet; they said, ‘Muhammad and his army!’ The Prophet said, Allahu--Akbar! (Allah is Greater) and Khaibar is ruined, for whenever we approach a nation (i.e. enemy to fight) then it will be a miserable morning for those who have been

What will this bill do? It "will bestow new powers on national security agencies to detain and investigate terror suspects and returning fighters".

Political correctness keeps us from real security!

<http://www.ni.edu/news-events/northland-joins-southern-seminary> **Northland's Mission and Legacy Continues with Southern** (Edited by DCB) It was bound to occur. "On Oct. 14, 2014, the Board of Trustees of The Southern Baptist Theological Seminary unanimously adopted the following resolution: That the Board of Trustees of The Southern Baptist Theological Seminary accepts the gift of the campus and assets of Northland International University in Dunbar, Wisconsin, and authorizes the President to facilitate and lead the transition of this campus to an extension campus of Boyce College and the Southern Baptist Theological Seminary."

Al Mohler said "I can only imagine what the founders of the Southern Baptist Convention would think to know that the reach of the SBC and its mother seminary is now of this magnitude in the upper Midwest." A pastor friend of mine was a great supporter of Northland back in the 70's and was later awarded a DD from the school. Sadly now the finances his independent Baptist church contributed to this school is now the property of the Southern Baptist Convention. I can only imagine what my friend and other Baptist fundamentalists are thinking!
