HUMP DAY HIGHLIGHTS INFECTION RISKS 14 April, 2016 – Just what young people need! "FUN and games in the main street of Dubbo on Wednesday were part of a bid to warn teenagers and young adults about a 'predominantly silent' infection that can result from unprotected sex."

Instead of teaching morality and purity

"Representatives of the Western NSW Local Health District's Dubbo Sexual Health, Family Planning NSW Dubbo Centre, headspace

Dubbo and Dubbo City Youth Council pulled out all stops in a campaign encouraging "consistent condom use"

The Dubbo Sexual Health manager Margie Crowley reported that "At the end of 2014 there was almost 23,000 notifications of chlamydia across NSW" and that **"Fifty-four per cent of the 23,000 were in the 15 to 24 age group"** (Emphasis added)." It isn't funny but a reality that abstinence, morality and purity are not topics for discussion with these people when seeking to halt sexual diseases!

This web page was listed on the above article. It is disturbing that this web site is paid for by the taxpayers in the Australian state of New South Wales. Rather than promoting morality and purity the state sponsored sin bin runs articles for so-called "safe sex". If you have the stomach for it, visit the site to see what the taxpayer is paying for.

ISIS members believe they are Muslims no matter what liberals and others may say. “Any disbeliever standing in the way of the Islamic State will be killed, without pity or remorse, until Muslims suffer no harm and governance is entirely for Allah.” “Paris was a warning. Brussels was a reminder. What is yet to come will be more devastating and more bitter by the permission of Allah, and Allah prevails over His affair, but most people do not know. Having heeded the lessons of years spent fighting the harshest of wars in modern times, the soldiers of the Islamic State promise their adversaries dark days of death and destruction in their own lands.” As ISIS and other Islamic jihadists seek to murder as many unbelievers as they can believers in Jesus Christ are “*Looking for that blessed hope, and the glorious appearing of the great God and our Saviour Jesus Christ*” Titus 2:13.
