Marshall Polston, a 20-year-old sophomore at Rollins College in Florida, claims his Middle Eastern Humanities professor, Areeje Zufari, made multiple anti-Christian comments in class, forcing him to openly challenge her.

Other assertions alleged to have been made by the professor include her insistence that Jesus's disciples never thought of him as God.'

Polston who has travelled around the Middle East and knows something about it and Islam said 'Honestly, it reminded me of some of the more radical groups I researched when abroad.'

He went on to say that "Whether religious or not, I believe even those with limited knowledge of Christianity can agree that according to the text, Jesus was crucified and his followers did believe he was divine... that he was 'God,'" "Regardless, to assert the contrary as academic fact is not supported by the evidence."

Even though Polston is an A student the professor 'failed him on an essay and didn't offer an explanation for the poor grade.' After confronting the Professor on his grade he was told to meet with the Dean of Safety.

'Following the meeting, the student was suspended, [according to a letter published in the Central Florida Post](#), claiming Polston isn't "permitted to attend classes or participate in college activities or privileges.'" From this it does seem a Muslim cannot be questioned even when wrong. John 19:33 *'But when they came to Jesus, and saw that he was DEAD already, they brake not his legs'*

Right? 'Four thousand teachers in Australia are to be put through a training program specially designed to help them root out sexism in pre-schoolers.

The regional government in Victoria is developing a course to help educators spot children who "enact sexist values, beliefs and attitudes" from the age of four.

According to *The Australian*, the new project will cost taxpayers \$3.4million AUS (\$2.6million US).

A tender document released by state officials cites research showing that kids are already operating within "gendered norms" at pre-school and need "anti-bias" strategies to help educate them out of it.' Genesis 1:27 *'So God created man in his own image, in the image of God created he him; MALE AND FEMALE created he them.'*

preposterous as some may think, and has an undeniable precedent the Iranian Minister is quite proud to admit.

The international [spat](#) began on Purim, two weeks ago, when Israeli Prime Minister Benjamin Netanyahu attended a reading of the Megillah (Book of Esther) at a synagogue near his home in Caesarea. While [discussing](#) the Biblical story with children in attendance, he assured them, “Today, too, they’re trying [to kill us] in Persia, and today they’re also not going to succeed!” Iran’s Foreign Minister [Javad Zarif](#) heard of Netanyahu’s comments and took umbrage at his country being portrayed as the villain. Zarif responded to the Israeli PM via Twitter, accusing him of “fake history and falsifying the Torah”.

“It is also recognized that he aided the project by returning the holy vessels that were taken from Solomon’s Temple by the Babylonian King [Nebuchadnezzar](#).

“It is to be understood from your statements that you support the actions of King Cyrus and that your country supports the establishment of a Temple on Mount Moriah even today. We invite you to opening a dialog regarding this. We will be happy to hear your response to this invitation.”

Rabbi [Hillel Weiss](#), spokesman for the Sanhedrin, said they were optimistic that relations between Israel and Iran could change drastically for the better.’ John 18:40 ‘*Then cried they all again, saying, Not this man, but Barabbas. Now Barabbas was a robber.*’

29/03/2017 - GEORGETOWN UNIVERSITY AND RADICAL ISLAMISTS: IT’S A FAMILY AFFAIR – Why would Georgetown University’s Qatar campus host [Sami Al-Arian](#) for a lecture? ‘According to a [news release](#) from the school’s Middle Eastern Studies Student Association, Al-Arian is a “civil rights activist” who hopes to challenge students to “make it a better, and more equitable and peaceful world.”

Those are charitable descriptions for Al-Arian, a [documented member](#) of the Palestinian Islamic Jihad’s *Majlis Shura*, or board of directors. According to the Islamic Jihad’s [bylaws](#), which law enforcement agents found during searches of Al-Arian’s home and offices, there can be “No Peace without Islam.” The group’s [objective](#) is to create “a state of terror, instability and panic in the souls of Zionists and especially the groups of settlers, and force them to leave their houses.” Follow the above link as there is much more to this story! Revelation 22:20 *‘He which testifieth these things saith, Surely I come quickly. Amen. Even so, come, Lord Jesus.’*

<http://www.christianconcern.com/our-concerns/freedom-of-speech/andrea-williams-radio-4-and-religious-freedom> 24/03/2017 - ‘In our experience, it is the rights of Christians that are being ignored; Advocate General Kokott discussed the *Eweida* case. The Christian Legal Centre was involved with 3 of the 4 cases in the *Eweida* case, so we have lived experience over many years of just what we are talking about.

In that case, British Airways permitted the turban, Sikh bangle, headscarf and Hindu Sikha to be worn; only the wearing of the Cross (the size of a sixpence) around the neck was prohibited. Our Courts upheld this bizarre policy of British Airways, until it went to Europe.

In many schools, it is permitted to wear the headscarf, the Niqab (only the eyes showing), the Jilbab (full veil), the Sikh bangle and cornrow haircuts, but the wearing of **Christian purity rings** has been forbidden.’ So much for multi-culturalism!
