FEBRUARY – MARCH - APRIL

Dear Friends,

The Lord Jesus said in John 15:15 “Henceforth I call you not servants; for the servant knoweth not what his lord doeth: but I have called you friends...” Then John the Apostle stated in his third letter and Chapter One and verse fourteen “...Greet the friends by name.” The Non-Conformist, Matthew Henry said concerning this verse that what a privilege it was to “...greet one another on earth who hope to live together in heaven. And the apostle who had lain in Christ's bosom lays Christ's friends in his heart.”

Weather wise what a month February has been. We had days of well over 100 and then it suddenly turned to days in the mid-seventies! This is what the local paper said for February 13 “In Dubbo the scorching heat saw records shattered on Saturday as the city recorded its hottest February day since 2004. Temperatures peaked at 46.1 degrees, beating the previous record of 44.5 degrees set on February 15, 2004.” With the heat came fires. However, it isn't climate change! The truth is it is coming to the end of our summer so hot days are expected and autumn will be here the first of March with cooler days anticipated and that is exactly what is occurring.

Please continue to pray for those dear souls God has brought our way. Each person, from child to adult, has a need; either spiritually or otherwise. Some need to be saved while others need to take more time in the Word for a closer walk with the Lord Jesus. In closing we want to thank you again for your continued prayers and financial support.

In Christ Jesus,

*David and Pam*
