Dear Friends of this Ministry,

Greetings from Dubbo. We filmed a brief segment of our Friday radio programme and have put it on <http://www.bennettsnews.blogspot.com.au/> . Friday has the most ads (which we have included a few in this 6 minute video) which make it possible for the station to operate and for us to broadcast these two programs. Our programs are the only Christian programs on the station with the other programs being country western, hard rock etc. We will be videoing a Sunday program soon and putting it on as well. We will let you know when that occurs. If you have not already done so please take time to watch "The Three Trees" done by our Sunday School children.

The local community radio group has put application in for the securing of a building to council for the community radio station here in Dubbo. It is an old cemetery caretakers house built sometime in the 1800's and owned by the New South Wales State Government. Once permission is given to use the building an on air test must be done before an application to the Federal Government for a temporary license can be sent. All of this is a slow process but we are further now than one year ago.

Our people continue to be faithful in their attendance and most seem to be growing spiritually. We do not give names as some people do not appreciate their names being on the internet but we do ask you to pray for those who attend Western Plains Baptist and the unsaved we have contact with here.

Thank you so much for your prayer and financial support. May the Lord richly bless as you serve Him.

In His Care,
David & Pam Bennett
