Dear Friends of this Ministry,

1John 4:9 *“In this was manifested the love of God toward us, because that God sent his only begotten Son into the world, that we might live through him.”* This is the message we preach, teach and proclaim. David has been holding a regular Bible study in a home of one of our attendees. His wife and a neighbor with whom he works also attends. So far they seem to understand salvation and give the right answers but we will continue with the studies and allow the Holy Spirit to do His work. Pray for Andrew, Andreas and Ofa. Please do not put their names on the internet as sometimes people do not appreciate this without their permission.

The process of getting a community radio up and running in Dubbo is getting closer with each day. Orana Broadcasters Incorporated (OBI) has put in an application to council for leasing a building in the east side of town. It is in a high position which is good for transmission. OBI has also applied to the Australian Communication and Media Authority (ACMA) for a temporary license. The photo is of the future station.

We would encourage you to visit <http://www.bennettsnews.blogspot.com.au/> and have a look around. Last month we put a link for those in our state of New South Wales to go for information concerning the position of the candidates and their party on several important issues. There is also a recording of a Pacific Garden Mission Unshackled programme which is played on Friday's CrossTalk.

We would also ask that you continue to pray for the two radio programs in Gilgandra and Western Plains Baptist Fellowship and Sunday School here in Dubbo.

Thank you for your continued support in prayer and finances.

Secure in Him,
David & Pam Bennett
