

TEXTUAL PLURALISM--POISON IN THE POT. I told him that he should put that in a pamphlet form. **DR. H. D. WILLIAMS, M.D. from Georgia** was a new face at the meetings. He has written a book called *The Lie That Changed the Modern World* which should be available in a few months. Of course, I enjoy the humor of **DR. EDWARD E. DeWITT from Illinois.** One has to listen carefully to catch it all. Some were not able to be with us--we missed them!--but others we didn't expect were there. One of the surprise attenders was **DR. BRUCE CUMMONS** and his wife. Attending the DBS was all he wanted for his seventy-eighth birthday! My husband asked him to speak in the absence of another who couldn't be there. What a gripping sermon! You'll have to get it. **Now, if you want any of these tapes or all of them, remember that one audio tape is \$4.00 + \$1.00 S&H [all 8 tapes for \$24.00 + \$4.00 S&H]; and the video tapes are \$35.00 + \$5.00 S&H for three six-hour videos.** Get them. It will give you something to do on a cold winter's night! **I don't know if you have noticed, but the BFT has not raised it's prices on audio or video tapes for**

years. **THE DEAN BURGON WOMEN**

ANOTHER EXCITEMENT FOR JULY WAS THE VISIT OF MRS. TIANGAY JOAH FROM LIBERIA, WEST AFRICA. She arrived in the States a week or so before the Dean Burgon Society's meeting. She came with us to North Carolina to be one of the speakers at the **DEAN BURGON WOMEN.** Every year, interested women meet together in the main auditorium of the churches where we are. I am pleased with the attendance as I remember, when we first started, many of the women would rather go shopping than be together. I never understood this, as I thought all of the wives backed their husband's stand on the KJB and should show support for the cause. I personally think that's part of a wife's job to become aware of what her husband is interested in when it comes to Biblical defense, and to be by his side at various meetings when possible. But who am I?

MRS. JOAH IN HER AFRICAN DRESS WAS BEAUTIFUL AND IMPRESSIVE. She spoke of the need for education for the African women, as well as the men, so they could read the Authorized version of the Bible which they, with her husband **PASTOR SOLOMON JOAH,** and she defend. She comes from a culture different from ours where there has been war and threat of war for years. Now a similiar threat has come to us, too. It was good to have her be a part of our meeting--a once in a life-time treat!.

MRS. SHEILA DOOM WAS EXCELLENT IN HER BURDEN FOR US TO BE INTERESTED IN "WORDS" AND WHAT THEY REALLY MEAN. She encouraged us to get an older dictionary and look up the words we read in our King James Bibles and understand the full scope of why the translators chose those particular words. Besides Mrs. Doom, the pastor's wife, **MRS. DANNY HARDIN,** welcomed us to her church, her people, and to the **RUSSIAN BIBLE SOCIETY** that has its headquarters next to the church. **CAROLYN RENO** challenged us to understand the true meaning of "inspiration"; and I gave a few words about **THE FOLLY OF TODAY'S NEW INTERNATIONAL VERSION**--you know that is the one that Zondervan has come up with that is gender-inclusive. It was my intent, before I knew that Mrs. Joah would be with us, to give a lengthy talk on the subject, as it is VERY important; but I passed out my July/2002 Just For Women radio tape on the subject to all the women instead. **YOU MAY GET THAT TAPE, TOO (JFW#27 @ \$4.00 + \$1.00 S&H).** I hope they have listened to it.

CHRISTIAN LAKE BIBLE CONFERENCE STRATFORD, NEW YORK

FOR SEVERAL YEARS--I think it may be six--DR. WAITE HAS BEEN ONE OF THE SPEAKERS AT THE CHRISTIAN LAKE BIBLE CONFERENCE IN UPPER NEW YORK. I can't tell you exactly how to get there but it is further North than Albany, taking Route #87. It is a small conference but a beautiful place with its man-made lake and beautiful trees. The director is **MR. DON WEBB.** He and his sidekick, **JAMES,** work night and day to make the place liveable and relaxing. There are cabins with names like "Ruth and Boaz," and a brand new lodge with private rooms and dorm rooms on the second floor. In that area of the camp grounds are new rest-room facilities with the conveniences of home away from home. I wish you would try it out next year. There are plenty of places to cook--especially in the large, rustic outside kitchen and dining area. There is swimming and boating. They have rules about swimming but nothing good Christians would have a problem with. The meeting house--a tabernacle-type building--is very nice for a camp. It is all enclosed and I think can be heated. They have a big, unique underground fan that cools off the group in the summer--that is during the Bible teaching/preaching meetings. **CAMPERS ARE REQUIRED TO ATTEND EVERY EVENING SERVICE AND ENCOURAGED TO ATTEND THE NINE O'CLOCK MESSAGES, TOO.** **Call Mr. Webb if you are interested (315-429-3659)** The mailing address is easy: Star Route, Christian Lake, Stratford, NY 13470.

DR. WAITE TAUGHT DISPENSATIONALISM

MIDDLETOWN BIBLE CHURCH SWELLED THE CROWD

PASTOR JOSEPH PAGANO AND HIS MIDDLETOWN BIBLE CHURCH HAVE COME TO THE CAMP FOR THREE DIFFERENT YEARS. He is originally from the area and enjoys having his people see the countryside, visit his parents, and enjoy Dr. Waite's teaching. He always says to my husband, "*Let me know when you are going to be here and our people will plan to be with you that week.*" It is nice for his people to learn and fellowship with my husband and me. **Maybe you would like to come next year, Lord willing, when Dr. Waite teaches again at CHRISTIAN LAKE BIBLE CONFERENCE.** He's planning on being there some time in **AUGUST/2003.** **CALL HIM AND ASK HIM WHEN HIS TIMES ARE,** as I don't know at this writing; but your calling will compel him to decide. **This year my husband taught the SEVEN DISPENSATIONS. They are on two sets of audio tapes: The PREACHING tapes of the evening services (BFT #3078/1-3 @ \$9.00+\$1.00 S&H) and the DISCUSSION tapes of the morning services (BFT #3079/1-3 + \$1.00 S&H).** He has taught this subject several times in the recent years and has found a need for Christians to review it. As you probably know, **PROGRESSIVE DISPENSATIONALISM** has galloped into many theological circles. This teaching compromises and says that Jesus Christ is ruling the Kingdom of God now. It is a miss-mash! I'm

told that even DALLAS THEOLOGICAL SEMINARY has forsaken the strict dispensational position that it held when DR. LEWIS SPERRY CHAFER was its founder & president. What do you know about that?

A NEW LOG CABIN JUST FOR ME

BEFORE I STOP WRITING ABOUT CHRISTIAN LAKE, I MUST TELL YOU ABOUT THE LOG CABIN THAT THEY PURCHASED AND FIXED UP WITH INDOOR PLUMBING JUST FOR ME! It used to be a hunting cabin for the use of a certain family that came to the area for deer and bear. The main owners died off, if I understand it right, and a nephew or cousin or someone decided to sell it to CHRISTIAN LAKE. They had wanted it for a long time because it was on the edge of the road and practically a part of the camp. SO, THE LORD MADE IT POSSIBLE FOR THE CAMP TO BUY THAT CABIN. I guess Mr. Webb and James cut trees down to pay for such projects. Don Webb is a lumberman by trade and has his own saw mill by his large log cabin adjacent to the camp.

THE WEBB LOG HOUSE IS A WORK OF ART! My husband and I stayed in that private home one time when his wife was still living. We did miss ELLY this trip. It's been one year since she died. She was one in a million! We loved her in the Lord. Her death was sudden, but her husband said that she got her dying wish not to have prolonged suffering. Yes, that is a blessing. But, we can't choose the method that our Heavenly Father chooses to close our journey in this Vale of Tears, can we?

ANYHOW GETTING BACK TO NEW LITTLE LOG HOUSE. I just loved it! It was just right for two people--Dr. Waite and me; but could have had three or more sleep in the loft above our bedroom. I kept wishing that my adult children could stop in. What a beautiful place for a family reunion. There was no TV--in many ways a relief. We bought a clock radio and heard a "Christian station" which was good. The view from the kitchen, porch and front room was spectacular. I cooked simply, lived relaxed, and never had to walk anyplace I didn't want to. I was overwhelmed to think anyone would do all that carpenter & plumbing work just for me and others who have a hard time getting around on rugged ground. I told Mr. Webb that I could stay another week or two. But of course, we have duties here in Collingswood and that was not possible. Anyhow BEN WILKINSON from the RUSSIAN BIBLE SOCIETY was scheduled to be there in two days.

Oh, when I say the new log cabin was "just for me," it may be a little exaggerated because others use it. But, I was so, so, so, THANKFUL! The camp committee wanted to buy the place and put on the extra rooms for a long time; but I guess, the fact that I stayed home last year because I couldn't do all the walking was the impetus for Don Webb and James to get to work so Dr. Waite wouldn't be without me. I'm so valuable, you know! Ha!
